

RoHS Declaration of Conformity

Production Place: Volt Elektrik Motorları San. Tic. A.Ş.

Address: Kazım Karabekir Cad. No:84 Kemalpaşa 35735 İzmir / Türkiye

E-mail: bilgi@voltmotor.com.tr satis@voltmotor.com.tr Tel: +90 (232) 877 10 60 (pbx) Faks: +90 (232) 877 10 59

As Volt Elektrik Motors, we conform that our products which are mentioned down below are comply with EU directives defined in the 2011/65/EU (also known as RoHS2) and 2015/863/EU (in addition to RoHS2 also known as RoHS3) directives on the restriction of the use of certain hazardous substances in electrical and electronic equipment (EEE) established by the European Parliament on June 8, 2011 and June 4, 2015 defined and all applicable laws and regulations.

This statement is based on the manufacturer's knowledge of the materials that go into their products and laboratory analysis of the material content. In our products, the substances specified in the directives mentioned above and named in Table 1 are not used above the specified limits.

Banned Substances	RoHS Proposed Maximum Values In % and ppm
Lead	% 0,1 – 1000 ppm
Mercury	% 0,1 – 1000 ppm
Cadmium	%0,01 – 100 ppm
Hexavalent chromium	% 0,1 – 1000 ppm
Polybrominated biphenyls (PBB)	% 0,1 – 1000 ppm
Polybrominated diphenyl ethers (PBDE)	% 0,1 – 1000 ppm
Bis(2-Ethylhexyl) phthalate (DEHP)	% 0,1 – 1000 ppm
Benzyl butyl phthalate (BBP)	% 0,1 – 1000 ppm
Dibutyl phthalate (DBP)	% 0,1 – 1000 ppm
Diisobutyl phthalate (DIBP)	% 0,1 – 1000 ppm

Table 1. Prohibited Substances and Ratios According to RoHS Directives

Power	Pole	Eff. Class	Type Of Motor
0,12 – 250 kW	2-4-6	IE1	Asynchronous Motor
0,75 – 250 kW	2-4-6	IE2	Asynchronous Motor
0,75 – 250 kW	2-4-6	IE3	Asynchronous Motor
0,25 – 15 kW	2-4-6	IE4	Permanent Magnet
0,37 – 18,5 kW	2-4	IE5	Synchronous Motor

Our Products, have been tested under 3rd party information laboratory of Intertek/ ISO:17025 / AB-9716-T" and approved by the document numbers "TURT190016858" and "TURT200070440".

In additional, this declaration of conformity is issued under the sole responsibility of "Volt Elektrik Motor San. Ve Tic. A.Ş. specifically, products manufactured do not contain the substances listed in the directive, over the limited value.
